Assign Meeting Roles

Facilitator: Kimberly Conner

Recorder: Cindy Bradley

Scribe: Joseph Smith

Timekeeper: Teresa Bates

MOC Mission Statement: *To empower community members through education to make informed healthcare decisions by bringing a local focus to federal and state Medicaid policy.*

1. Introductions and welcome

Kim welcomed everyone to the Medicaid Outreach Consortium meeting. Each individual introduced themselves.

The minutes were reviewed for December, Karri Marshall motioned the minutes be accepted and Autumn McKinley seconded the motion for the minutes.

2. ACA/Marketplace Stakeholder Reporting –

a. Enrollment

- Kim explained the purpose of the Enrollment Reporting worksheet and asked for feedback. A few questions arose about wanting the number of those they have helped versus assisted with the application. It was suggested to ask add questions on the worksheet in order to cover all areas the CACs/navigators are required to report. The additional questions are how many individuals/families have you assisted to date with enrollment for the ACA Marketplace and Medicaid? How many of those individuals/families have received healthcare coverage?
- Aaron reported he has helped with about 100 applications but assisted with 400 applications. He explained not everyone need full service

when applying but may have a few a questions during the application process.

- Michelle stated the volunteers at CAP have not yet started helping with enrollment but is helping with assisting individuals. The volunteers will be following up with individuals they have assisted to see if they need help with the enrollment process.
 - Marcine Hill noted individuals received a faster response when they completed the paper application compared to the individuals who did the online application.
 - It was suggested to have a representative from Montgomery County Job & Family Services to join our consortium and/or serve as contact person for consortium members to contact with questions. Kim will contact Deb Hall to find out whom her replacement is and if they will be willing to come to our February meeting.
 - Trey Daly gave a brief presentation on the results from a survey Enroll America commissioned about uninsured people who have not yet enrolled.
- b. Marketing/Communication
- As a follow up from the November meeting, Aaron did not have anything to report about he and Stacia taking the lead on the marketing and communication part. Stacia was not at the meeting to report.
 - It was then suggested that Autumn and Enroll America would take the lead in marketing and communication the consortium agreed.
 - Joy Schwab passed out a flyer that the library is using to give more information about the Affordable Care Act and income guidelines.
 - Autumn McKinley reported Teresa Law has confirmed 9 area churches to start doing out reach in. Teresa has also confirmed a meeting with Mayor Leitzell. They are in the process of setting up a press conference and other media coverage.
 - Enroll America has a program called the Chase Program, they have volunteers meet at a designed location and make follow-up phone calls from intake forms they have received. Volunteers use their own personal cell phones to make these calls. Autumn is looking for locations in the Dayton area to be used as phone banks for the volunteers.
 - If members of the consortium choose to use the intake forms provided by Enroll America, Enroll America will take the lead and do follow up calls with the individuals.
 - Enroll America is working with local Kmart Stores to have tables set up to help get the word out to consumers. They will be in their first store on January 27. The Dayton Foodbank plan to be a part of this outreach effort.

Agency Announcements/Updates

Michelle Nelson has confirmed 4 tables at the MLK march & rally on January 20, 2014 at the Dayton Convention Center. Those interested in setting up a table needed to let Michelle know by the end of the meeting. Kim (CHC), Lauren (Planned Parenthood) and Autumn (Enroll American) all agreed to be at the event. The march should be over by 10:45 or 11am and individuals will be visiting vendor tables after this time. If you are

not able to attend the rally but want to display your information, get the flyers to Michelle by 2pm on Friday, January 17. She can be reached by phone at 341-5000 x162.

3. Review Next Steps

Kim will contact Deb Hall at MCJFS about having someone come and present at the next meeting.

Cindy will make changes to the enrollment reporting worksheet.

Adjournment – 10:00AM

Next meeting: Wednesday, February 19, 2014
