1. Review Meeting Roles
   Facilitator: Daria Dillard Stone
   Recorder: Cindy Bradley

2. Approval of Minutes
   Motion passed unanimously to accept the minutes from the September 10, 2014 meeting.

3. Work Through Agenda
   Presentation: Bryan Bucklew, Greater Dayton Area Hospital Association, was the invited speaker at the meeting. He spoke about mental behavioral health in Montgomery County and challenges related to access to services since the closing of Twin Valley Behavioral Health. GDAHA is focusing on access to the right care, at the right time and at the right facility. Currently, there is a shortage of practitioners and treatment facilities for behavioral health, which results in community members and their support having to travel to Cincinnati or Columbus for treatment.

   a. Organizational Exchange & Announcements:

   Fran Angerer – Kettering College – announced the PA students are looking for service learning opportunities within the community. If your agency would like to be a site, contact Fran at frances.angerer@kc.edu.

   Susan Wulff – University of Dayton Physician’s Assistant Program – is recruiting their second cohort. The program is also looking for agencies within the community where PA students can complete service learning.
Teresa Giehl – Dayton Children’s Hospital, Family Resource Center – brought a number of resources about eating healthy and cribs for kids/safe sleep for baby. The Cribs for Kids program provides a pack n play or a crib to parents who do not have a bed for their infant. Parents must take a class and be on WIC to be eligible.

Daria Dillard Stone – Dayton Public Schools – is accepting donations as part of the McKinney-Vento Program. This program gives donated coats, hats, scarves, and gloves to children in need. The items are distributed to children as items are received. With the recent cold weather, they need donations. If you have any questions or would like to donate contact Daria at 937.542.3276 or drop off items at 115 Ludlow Street. Donations are being accepted until December 10. Daria also reminded everyone of the next town hall meeting on December 3 at 6pm at Dayton Boys Prep Academy.

Terra Williams – Miami Valley Child Development Center – is working to make sure all students at the Center have their oral health screening and physicals completed. A challenge is finding dentists who accept Medicaid.

Michelle Randall – GSH Health Ministries Program – announced the “You Have been Summoned...What’s Next?” workshop on November 20, 2014 6-8:30pm. Nurses will receive 1.0 contact hours for this event. Michelle also announced the upcoming Foundations in Faith Community Nursing Course, which is a four day course. Day one starts February 20, 2015 or February 21, 2015 and days two, three and four are March 19-21, 2015.

Beverly Pendergast – Northeast Priority Board – announced that the NE Priority Board donated about $1200 in school supplies to Kaiser School and participated in the trunk or treat at Kaiser during Halloween. The board is working on setting up a health center at the school that would provide screening during evening hours.

Cyndi Potter – Paramount Advantage – is busy with open enrollment for Medicare.

Lisa Brown – Life Essentials – announced the first meeting of the Peer Academy Program will be Monday, November 17. Life Essentials is partnering with ADAMHS on the peer recovery training.

Anne King – Center for Global Health – coordinates the practice placement for MPH students at Wright State. The students need to complete 200 hours in a community setting. If you have opportunities for students, please email Anne at anne.king@wright.edu.

Mary Ann Drewry – WSU SOPP – mentioned SOPP trains 25 psychologists a year. Mary Ann will be retiring early next year.

b. Center for Healthy Communities Report:
Kate Cauley reviewed the CHC report that was provided at the meeting. She announced that the Medicaid Outreach Consortium is looking for a new chair to take over in 2015. If you are interested in this role, email Kim Conner Kimberly.conner@wright.edu or Kate Cauley Katherine.cauley@wright.edu. Kate provided an update on the Center’s MEDTAPP project. Currently, CHC has hired 3 of the 4 community health workers to model how CHWs are used in health care. The CHC will be working with the Ohio Department of Health to use CHWs for
cardiovascular disease management, geriatrics, and assisting hospitals with discharge management and follow up.
