2. Approval of Minutes
   Motion passed unanimously to approve the minutes of the March 12, 2014 meeting with the following change: under Susan Wulff’s report, the first PA class at University of Dayton will start fall of 2014.

3. Work Through Agenda
   a. Organizational Exchange & Announcements:
      
      Theresa Lane – Miami Valley Urban League – reported that the Youth Empowerment Program is for youths 14-17 and 18-21 who are connected to the juvenile system and do not have an adult charge. The program currently has 57 youths enrolled with a goal to have 100 youths enrolled by the end of July 2014.

      Fran Angerer – Kettering College – announced that a new class of first year PA students have started. There are 40 first year students, 41 students starting their second year, and 41 students about to graduate. The KCMA 6th annual 5K run was just completed with 500 participants raising almost $10,000 for the Good Neighbor House.

      Marcine Hill – Samaritan Homeless Clinic – announced they are still signing up clients for Medicaid and Medicaid Expansion along with educating consumers who have never had health care.
Samaritan Homeless Clinic has completed the Health Resources and Services Administration (HRSA) survey. As a result, they will become part of the Five Rivers Health Centers.

Bill Spears – Center for Global Health – announced MPH students are required to complete 200 clinical hours of practice in a health organization. If an organization needs a student to help with a project, contact Anne King (anne.king@wright.edu) at the CGH to assist with student placement.

Terra Williams – Miami Valley Child Development Center – is working to make sure all students there have medical and dental services.

Bette Sydelko – University Libraries – has medical resources available free of charge. She is available to come out to organizations to do presentations about the medical resources that are available.

Susan Wulff – University of Dayton – announced that the first day of class for the first PA cohort is August 21, 2014.

Virginia Noe – Dayton Public Schools – announced the closing of Gardendale and Norman schools at the end of the school year. Rosa Parks will become a preschool including MVCDC students. Health Services was awarded an application from American Pediatrics for a two year commitment to strengthen services. Prevent Blindness helps consumers who need vision care. Referrals have been very low. They are seeking more community contacts to provide referrals.

Michelle Randall – GSH Health Ministries Program – is hosting a repeat of “House of Worship Hazard and Safety: Planning and Preparedness for the Worship Facilities” on May 29 at Miami Valley Hospital South. The brochure was distributed. Michelle announced the foundation course went well with 21 participants. They are in the planning process to host it again in 2015.

b. Center for Healthy Communities Report:
Kim Conner reported the community health volunteers have 2 events coming up in June; one is the African American Wellness Walk on June 14 at Riverscape MetroPark, and the other is the Appvion, Inc.
