Our Health Care System in 2010: Who Plays / Who Pays?

October 29, 2003

The David H. Ponitz Sinclair Center, Dayton, Ohio

**Health Systems Management
Wright State University
School of Medicine**

WRIGHT STATE
UNIVERSITY

Conference Goal / Overview

This conference is targeted at physicians, nurses, health care management executives, multidisciplinary health care workers, public health workforce, employers, insurance/managed care industry and health care consumers. The goal of this conference is to create a vision of what our health care system will be like in 2010.

The Fourth Annual HSM Conference will be highly interactive, allowing participants the opportunity not only to learn what experts predict our health care system will look like in 2010, but also to have a voice in the discussion! After our keynote speaker provides orientation for the conference and our panelists introduce the eight workshop topics, each participant will select one workshop to attend. During lunch, participants will meet in small groups with the workshop leader to discuss the issues and develop solutions to share with all the participants in the final session. Each workshop group will be asked to identify four key issues pertaining to its topic and the possible solution to those issues. After the interactive workshops, all conference attendees will meet and each group will present its issues and solutions. A panel discussion led by the workshop leaders also will take place. After all the topics have been presented, discussion, questions and opinions will be welcome.

Don't be left out of understanding where the health system is going! All participants will have the opportunity to be involved. Join us and be a voice for the future of health care.

Learning Objectives

The participant will be able to:

- ❖ Discuss the vision of health care in 2010.
- ❖ Gain knowledge and insight into the plan to care for our uninsured population.
- ❖ Develop increased understanding and awareness of how quality drives the whole system and how to make it pay.
- ❖ Discuss the concept of a single-payor system.
- ❖ Recognize the impact our public health department will have in our future.
- ❖ Discuss the future role of pharmaceuticals: How are they paid for and who pays?
- ❖ Gain increased awareness of the "lifestyle syndrome" and how it impacts the health care system.
- ❖ Discuss the concept of consumer-driven healthcare.
- ❖ Recognize the future of nursing and the role nurses will play in 2010.

Credit

Wright State University School of Medicine (WSUSOM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education (CME) for physicians. Wright State University takes responsibility for the content, quality, and scientific integrity of this CME activity. WSUSOM designates the CME activity for 7 hours of Category 1 credit of the American Medical Association's Physician's Recognition Award.

The Ohio Board of Nursing accepts programs approved for CME for Continuing Nursing Education (CNE) credits.

Ohio Northern University (ONU) is approved by the American Council on Pharmaceutical Education as a provider of continuing pharmaceutical education and complies with the Criteria for Quality for continuing pharmaceutical education programming. The activity is approved for 0.7 CEUs for pharmacists by ONU.

As an organization accredited for CME, Wright State University School of Medicine fully complies with the legal requirements of the Americans with Disabilities Act rules and regulations. If any participant is in need of accommodations, written requests should be submitted at least one month in advance.

Sponsorship

This conference is supported in part by an unrestricted educational grant from Pfizer Pharmaceuticals and Novartis Pharmaceuticals.

Location

The Sinclair Center (Building 12) is located at 444 W. Third St. (on the corner of Fourth & Perry Streets) in downtown Dayton and is part of the **Sinclair Community College** campus. Parking is available in the underground lot, just below Building 12, and is accessible from Fourth Street. Parking passes for this garage will be provided to conference participants.

Our Health Care System in 2010: Who Plays / Who Pays?
