Registration, refreshments and resource tables open at 8:00 am

- What is dementia (and what is not)?
- What does dementia look like?
- Where can I turn for help?

Objectives

1. List common types of dementia.
2. Describe the signs and symptoms of dementia.
3. Identify dementia-related resources available to clients and their families.

This seminar will provide professionals with information related to dementia. Professionals will use this information to assist clients and their families concerned about dementia. In addition, participants will learn about locally available support systems and resources related to dementia for their clients.
