8:30am -12:00pm

Madison Lakes Learning and Conference Center
581 Olive Road
Dayton, Ohio
(Free parking)

Registration, refreshments and Resource tables open at 8:00 am

- What is the National Alliance on Mental Illness (NAMI) and what do they provide?
- What is it like to live with a mental disorder?
- How should I respond if my client has a mental disorder?
- Where can I find local resources for people with mental disorders?

Objectives

1. Participant will be able to identify and examine information on NAMI Ohio’s (National Alliance on Mental Illness) mission and programs.
2. Participant will be able to describe basic facts about common disorders, symptoms/behaviors and treatment options.
3. Participant will be able to identify engagement techniques and community resources to improve outcomes and interactions with patients/clients.

This seminar will provide health care professionals with information on the National Alliance on Mental Illness (NAMI), and their mission and programs. Health Care professionals will use this information to assist clients by understanding more about mental health. In addition, they will be able to identify effective communication techniques and community resources.
