“Responding to the Needs of Returning Veterans”

December 11, 2012
8:30am -12:30pm

Madison Lakes Learning and Conference Center
581 Olive Road
Dayton, Ohio
(Free parking)

Registration, refreshments and resource tables open at 8:00 am

- How do returning warriors transition back into civilian life?
- What specific injuries or post-service illnesses would we see?
- What military or civilian resources are available for service personnel and their families?

Objectives

1. Discuss the re-entry process for persons who have been in combat situations.
2. Identify specific health and social services issues facing families and dependents of returning veterans.
3. Describe conditions listed under the umbrella of polytrauma, especially PTSD, brain trauma and bodily injuries.

This seminar will focus on issues faced by returning veterans and their families who are experiencing difficulties. Health care professionals will use this information to understand the re-entry process, and specific problems and needs that may arise. Local community resources for returning individuals and their families will be described.
