Madison Lakes Park Lodge
581 Olive Road
Dayton, Ohio
(Free parking)

Registration and Refreshments at 8:00 am

• Who is affected by the economic downturn?
• Is help available? Where will we find it?
• How can we help clients learn to spend wisely?

Objectives

1. Discuss the impact of housing foreclosures in the Dayton area.
2. List three ways to economize in food preparation.
3. Identify ways to help clients manage finances in a stressful environment.
4. Identify local resources to assist clients facing financial stress.

This program will focus on issues faced by community members who are experiencing difficulties due to housing foreclosure, reduced income, or other problems related to the current economic downturn. Health Care Professionals will use this information to assist clients facing financial and housing problems. Specific local community resources for individuals and families facing economic problems will be described.
