Mental Health Services for Children and Adolescents

March 28, 2006
8:25 am – 12 noon
Madison Lakes Park Lodge
581 Olive Road
Dayton, Ohio
(Free parking)

Registration and Refreshments at 8:00 am

- Who are the children with mental health issues in Dayton?
- How can I help a child who needs mental health care?
- Who can I call for help?

Objectives:

1. Explain the current status of mental health services in Montgomery County for children and adolescents.
2. Discuss solutions to specific mental health needs of children and adolescents.
3. List available community resources for mental health care.
4. Identify methods of access and payment for mental health services.

This program will focus on mental health services available for low income children and youth in Montgomery County. Specific community mental health resources for both children and youth available locally will be described as well as how to access them. Specific programs related to ADHD, suicide prevention, sex offenders and behavioral problems in preschool children will also be addressed.
