Sinclair Community College, Center for Nursing Continuing Education, Center for Healthy Communities, AHEC Region IV and HealthLink Present:

“Responding to the Needs of Returning Veterans”

September 22, 2009
8:30am -12:15pm

Madison Lakes Park Lodge
581 Olive Road
Dayton, Ohio
(Free parking)

Registration and Refreshments at 8:00 am

- How do returning warriors transition back into civilian life?
- What specific injuries or post service illnesses would we see?
- What military or civilian resources are available for service personal and their families?

Objectives

1. Discuss the reentry process for persons who have been in combat situations.
2. Identify specific health and social services issues facing families and dependants of returning veterans.
3. Describe conditions listed under the umbrella of polytrauma especially PTSD, brain trauma and bodily injuries.

This program will focus on issues faced by returning veterans and their families who are experiencing difficulties. Health Care Professionals will use this information to understand the reentry process, and specific problems and needs that might arise. Local community resources for returning individuals and their families will be described.
