Dear Applicant:

Thank you for your interest in the Wright State University Boonshoft School of Medicine's Horizons in Medicine program. For the last 37 summers the Horizons in Medicine program has offered high school students, mostly from disadvantaged or minority backgrounds, the opportunity to see first-hand the science and delivery of health care that forms the foundation of a career in medicine. If selected for Horizons, you will be required to attend and complete the five-week program beginning Monday, June 6, 2016, and ending Friday, July 15, 2016, from 8 a.m. to 5 p.m., Monday through Friday.

All applicants are required to:

1. Complete all sections of the Application Form at medicine.wright.edu/horizons. Only current juniors and seniors who have already had or are presently taking chemistry will be considered.
2. Upload a recent photo along with your application.
3. Have three completed recommendation letters. One of the letters must be completed by a high school science teacher.
5. Submit any paper documents by April 22, 2016, to:
   Horizons in Medicine
   Office of Student Affairs and Admissions
   190 White Hall
   Wright State University Boonshoft School of Medicine
   3640 Col. Glenn Hwy.
   Dayton, OH 45435-0001
   Fax: 937.775.3322

Please take the time to review your application before submitting. Incomplete applications will be reviewed on a space available basis. All applications must be received by April 22, 2016. Any supplemental materials must be faxed, emailed, or postmarked by April 22, 2016. After we receive your completed application and the committee reviews it, we will notify you of the next step in the selection process. This program is highly competitive. Because of this, we will not be able to interview all applicants. We appreciate your interest in the program and look forward to reviewing your application.

Best Regards,

Lakia Q. Gray, M.P.A.
Director
Horizons in Medicine
