## What is a case competition?

### The Case

Dayton Children's Hospital will present a case on a real public health issue in our community.

### The Competition

Students of all backgrounds are encouraged to propose solutions to the case in teams of 4-6.

### Expectations

Students will present 25-minute segments, including Q&A.

### The Judging

By a panel of experts from various academic programs and Dayton Children's Hospital.

### The Winners

Prizes available for the top two teams!

### All are welcome!

Listen to and support our students' work. Come and go as you are able.

## How It Works

### Register
