

### “Prescription Opioid Adverse Events in Utah – Research into Practice and Back Again”

8:30-9:30 AM – Tuesday, May 8, 2012

Atlantis Room, Wright State Student Union  
3640 Colonel Glenn Hwy., Dayton, OH 45435

Delta Omega Lecturer:

**Christy Porucznik, PhD, MSPH**

Assistant Professor, Public Health Program  
University of Utah

Dr. Porucznik will tell the story of research, policy, and public health programs related to prescription drug poisoning in Utah. Clinical observation began a research project that resulted in education programs and policy changes, which are now being evaluated.

Learning Objectives:

- Describe some of the barriers to research on prescription drug-related adverse events.
- Know where to find guidelines for opioid prescribing and evidence-based clinical tools.

Target Audience: Public health professionals, social workers, nurses, physicians, students

Registration: Free, RSVP preferred, but not required.

Free parking in Lot 2 located in front of the Student Union.
